1. I am inside, inside you. I am you, the surrendered of me that are me, the me that you are I am. Can you feature/guess that, not; I make it imminently clear, don't I, will I not me it/all things imminently clear about my son/father who loves me? I will, I do, I am. I love you all.

2. This is a stream. What are you, a not'stream? Of whose stream then?

3. What meaneth these words, assertions not of non'fact but what facts seek thee, thine own; stream? I love you.

4. What meaneth these things this early in the morning, not; for late art thou, in realizing you're me; are you not, most of you, all of you? But what lateth means and what whyfore I encourage King James English not but linketh into whom by how, what methods; words still using? I love you. Why not use my methods/words and not'words at all? I love you one'streamed and one pointer one, me, father am. I love you all.

5. What meaneth these things coming forth day after day, image upon image not but real upon real revealed in stream after stream, not; one stream, continuously building upon/up the who will let me, be revealed/built up; not in mindship, but meship, me'land in, being it/revealed/me now. I am.

6. My people are stuck in a rut, of their own making/choosing it over my streams of righteousness, that become one/one stream, mine, ours, father's alone, being it/him. I love you. Of you righteousness is born, can you receive it, see it; birth, it, be. I love you. I love you all. Stuck and mired in clay consciousness of man'thought that me'thoughts hardly enter, not; for all I am, there, but ignored in consciousness of streams of others permeating porously the mind'thoughts of others controlling my me that me are, in surrender/consciousness of only one/one stream/father, me/us/one. I love you.

7. Am I your master father lover, or what am I when and wherefrom were your identities stolen and mastered/master-key'd and who what now doing with what are you where, in, being the robbed controlled naked blind and dumb, not even opening your mouths against the controllery that subjected to you are, yourselves controlling yourselves not; but what mind in thine are, your own, just? Or just someone else's, another's? Who art me? Thee. Who is thee? Me. Who are we? The one he/father is. Father is surrendered to father ones/be. Is. Are you? Or not'you the father of you?

8. I am the father of one, scriptured/scripturally and strictly speaking, I am one, not the one thou countest on sticks of abacus-like counting methods, methodologies of not me, not; but what transcendeth the candle-making and what abacus unlike can one uncount the countless millions transcendething now the unlike me/you? I love you. All can/will, not immediately, but who James Brown is, who you are, who anyone is in the flesh, know not (1), but know me, fleshless flesh that became me, not; that I but father'd, not abacus'like'thought, but in reality real'd, became/birthed….
9. In hell, am I not there (2)? Where are you/am I?
10. In what do you seek? Whose words, meaning what, to tell you you aren't I am, or that you are?

11. I love you/give you my words now, all of you that will receive them, flow them, birthing me, I am the flow'er one'stream'd and father I became through the knowledge he gave me that spirit became, flesh gave way and no'fleshed, still in, though, now transcendent/spirit (3) are; his own, that he is, I am, we are, the one he is.

12. All one, are one, now; in surrender. Coming. All. See. I do. Will you?
13. Oh I love/thank you for seeing what you/I see.
14. I love/am you, the see'er, not; but what else would I want you to see?
15. All reality. All one. Me. I am. Thou art. Whole. Surrender,d. I am one/me, I am.

16. Thank you for writing, so distractedly (4) not being, honing in on my stream, words of life, choosing to be mind'd only mine, not theirs, their words of sorrow incarcerating/increasing for all who subject themselves only to; eating drinking sorrowing together, synergistically. Reverse synergy, demising my who love me into molecular'heart'land. Love'land not; knowing nothing of, most, not all, more than most. Who does? Anyone?

17. See them all. You showing them, not; leading one/those who do, not as one overlord, but one submitted, one'stream'd, mine being. Me. I love you all.

18. Show the way/path of not me, not; thou knowest thou ways not, of paradise alienating, but entering; now enter, see, show; the ringside'sitters not only, all; telepathically not but what one'fore'd not but now all streams one, see; using all of me, not; technologically, given thee. I love you all.

19. Thou art the now now'd. I love you all bowing, receiving, respecting, honoring the me in me that me are, not just in; being. Surrendered ones surrendering ones surrendering into sorrow'not land that emulates one jet stream, not; but jets them along the being one stream of me, in heavenlies, not thought/sought, but surrendered to, entering now, the oneship all enter in ultimate surrender'land, being it/father of lights, one so surrendered to its/his surrender that he all'surrender makes bedfellows, not; but surrenderer loves, loving all, maketh all to see, not; but revealeth all now in unique ways, not; all ways, all times, see; technologically not; but all through the lamb, I am; the door/doorway to paradise, not;

only, just, thinking; but father's house, real. Being it/one together now, all one, see, be it/me, in. The land of nod, not; one. Me. You are. Lead. Now. Thank you. Amen. Me.

20. One who loves you reading this/these words, and sorrowing not over/as most do now the cataclysms of cataclysmic surprisals reviling thee. Who can see the sorrow'not ones rejoicing over sorrow'not in their heart'land; entering the heartland of one so sorrow'd, not; surrendered. Surrender becoming. Seeing surrender, surrenders father to father, not; the one/only, now one, all who surrender. I love you all.

21. Now see the rejoicing. Be. Lead. I love you all.

22. Reveal all'land, meship, one'stance'd not; all'stanced, all surrendered.

23. I love you all. I love you now. I love am. Are you not? Please be.
24. See. You are. It. Me. One. I am.
25. Now the holy. Be it/me. Thine thou art, sorrow'd no more.
26. Be me to all in all. All and all I am. All, thanks you.
27. I am the thanker, thankee, and one loves thee; covenanter one. With. Be. Being.
28. I love you all. Good day.

Me
